# Rise

## Classic designs made in a modern way

The Rise is environmentally-friendly and sustainable. A range of modern planters entirely made from recycled material. The material originates from products that have served their intended use.

The series Rise comprises twelve different planters, suitable for indoor and outdoor use. It is important to know that the Rise series can be delivered in any RAL colour, in high gloss, matt or a fine structure.

## Accessories

The Rise series is available with a number of handy accessories, such as a simple

liner for soil and hydroculture and a special wheel platform with recessed castors.
